**MISSION STATEMENT:** Perkins Partnership Ministries (PPM) has been formed as a non-profit organization to practice and proclaim the life-changing message of the Lord Jesus Christ in the world's most spiritually receptive places.

I attended Tall Pines for a few hours this weekend and felt like I saw a little glimpse of Heaven - several churches working together for one cause - JESUS. Such great practice for our eternity because there, it's not going to matter what church you went to or what denomination you associated with, only if you KNEW JESUS!! Thanks to everyone who made sacrifices to pull that thing off! Your hard work showed and is appreciated!

**Recipe for a Tall Pines Festival**

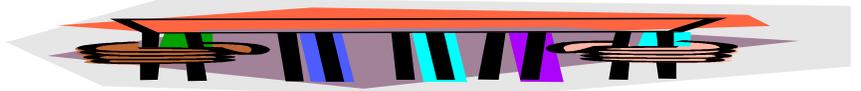

- 1 C. Prayer
- 1 C. Faith
- 1 C. Vision
- 1 1/2 Dozen different Christians with different personalities, races, backgrounds, and talents
- 2 Dozen different churches with a love for the lost
  - Sprinkle of patience                      3/4 C. Preparation
  - As needed Time                              2 C. Focus on God

In a small size town, begin with prayer, faith, and vision. As these grow begin to add in Christians and churches, then knead with patience. You will be working on God's time table not yours. Begin to add preparation, but this is not made in one night. As the momentum begins to rise make sure you keep your focus on God. When the Christians begin to multiply, you know your recipe is ready for the oven. Pour the batter into God's hands. Now you have done all you can do, but the best part is **God takes over the baking**. He wraps all your efforts in His warm love and abounding grace. He brings forth lost people to love and to share this recipe with. Serve others and share it with all you know. God will just keep supplying more and more till all your needs are met.

Cass Summers, Local Tall Pines Administrator

The Tall Pines II Festival was such a wonderful event for Henderson. I saw God work in so many different ways. I made new friends. I got to work with people from our community and from other towns. I saw people come to know the Lord in each service, and even in our own church on Sunday morning. As the chairman of the Finance Task Force, I saw God move throughout our community by seeing families give graciously toward the event. God worked in my life by teaching me to be more patient and to wait on Him. When I did, the worry went away and the funds began streaming in. I worked with such a great group of people on our committee, and I wouldn't take anything for this experience.

**10/31/10 Rusk County Prison Sunday School Report**

It may have been Halloween but God showed us who is in charge on this day and every day. We broke our all time attendance record Sunday. I'm sure many of you are wondering why such an increase and why on Halloween. I can answer this with two words - "Tall Pines," a combined effort because of the desire of many men and women across this area of Texas to bring God's Word to those who did not have a relationship with our Lord and Savior and more unity among churches.

If "Tall Pines" had not been planned and carried out, we would not have seen what we did at the prison yesterday morning. Bill Glass, and retired Patriots superstar Devin Wyman delivered such a 1-2 punch to a group of 357 inmates that 90 of them came forward for Christ .

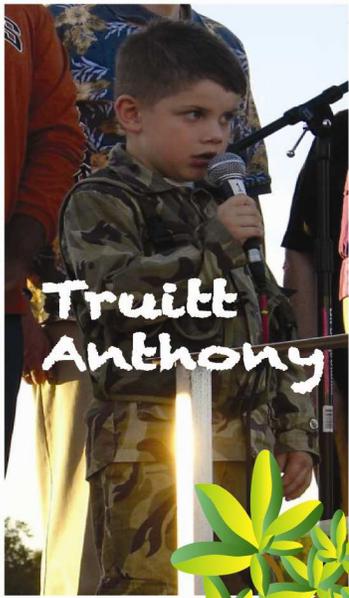

I saw a question this morning that really fits in with our evaluation of this weekend. Are we "fishers of men" as Christ instructed us to be or have we become "keepers of the aquarium?" We can't do the first without taking some chances. I for one appreciate the opportunity of piggybacking onto what Tall Pines was doing at the Expo - Hebrews 13:3 and Matthew 25:36.

All the anticipation leading up to the events at the Tall Pines Rusk County Expo Center is over. The stage is put away—the speakers and musicians have gone on to their next engagements—The Expo is again being used as a great venue for agricultural purposes — but, things—people—aren't the same! We are hearing daily about hearts that have been changed, homes renewed, local bodies of Christ beginning fresh to reach out to the lost, hurting, and dying. I would say that the largest amount of anticipation is ahead of us. We anticipate that this ripple effect will continue into eternity. I've heard person after person testify of the excitement of seeing the Body of Christ come together for the purpose in which it was intended. I find it interesting that when Christ came into the world, He entered through a stable. When He entered into hearts in Henderson, He also entered through the means of a "cattle stall." Is the event over? This one! But the effects are still reverberating and the fingers are just now beginning to work their way into the fabric of the community.

In the words of the great song . . . "He has done great things, He has done great things, He has done great things, bless His Holy name."

Classic Praise, you did a phenomenal job at the Nevada Renewal Project several weeks ago. It was a thrill getting to meet many of you. I know that within the next few years you will be doing a lot of traveling, and will no doubt get to go to the White House. God has blessed your

family with quite the talent! I pray that God will continue to use you to share the love of Christ to so many!
