*Our Goal: One Soul for Every Dollar Spent*

## **A Word from the President**

We sincerely thank you for how you have linked arms in faithful partnership with this ministry. We are so thankful to God for your friendship. I pray for you, too!

Looking back over the journey these past two months, I am amazed beyond belief at how far God has brought us. This ministry, representing the King of kings, along with a team of brilliant Board of Directors and a creative Advisory Board, is committed to carrying out the Great Commission.

Have you ever thought of the power of a moment? That moment when God speaks and you respond and the journey takes on a new meaning and purpose! He has done that for us, and that call continues to lead us . . . What a WONDERFUL journey.

In this month's newsletter you will read of some of the aspirations and goals from members of the PPM Advisory Board. You can't help but get excited being in a place where God is at work!

*Dale*

**From The Boardroom at PPM...** Greetings to all of you. Wow, I can hardly believe that only two months have passed since the Board met to organize for PPM. So many marvelous opportunities have come about during this time! Some of those you will be able to read about in this issue of the newsletter. Never underestimate what God will do when teamed with a willing, able and dedicated servant such as our President, Dale Perkins. God has blessed us with a hardworking Board of Directors and a wonderfully talented, creative Advisory Board. He has given them a great many ideas for service, and we are grateful for their beautiful spirit. As you read this newsletter, God may inspire you to share your thoughts with us. We welcome your input. Do you have another friend who loves the Lord? Share this newsletter with them, and share their name with us so we can send them a copy next time. We covet as many prayer warriors for this ministry as possible. Remember, "The effectual fervent prayer of a righteous man availeth much." Until next time, may God bless you richly, *Charles Crumpler, chairman*

**ADVISORY BOARD**

*Donor Matching Dollar for Dollar Deadline was September 30!* Dave Alexander—former space scientist and the facilitator of the safe return of Apollo 13, is committed in both prayer and giving. Dave serves on the Advisory Board of PPM.

PPM is not in the money-making business. We are in the business of reaching out in love to those who need God. Your dollars are helping to meet the needs of people in Texas, in the nation, and around the world who are spiritually starving for someone to care.

Praise be to the Lord for the generous contributions and the sacrificial giving in which so many of you participated. Our initial goal has been met and there is much work to be done. Please ask the Lord how you can continue to partner with us on this great venture that is far too big for us, but prayerfully is in line with what God has in store for us *and you*.
