

MISSION STATEMENT: Perkins Partnership Ministries (PPM) has been formed as a non-profit organization to practice and proclaim the life-changing message of the Lord Jesus Christ in the world's most spiritually receptive places.

How many times have we walked into a store and seen a sign that said "2 for the price of 1"? Usually we end up purchasing a product that we really didn't know we needed until we were reminded of how good of a deal it was. Well, we are very pleased to tell you that we are offering our partners a chance to receive a double portion, a two for one. But the difference is, you are investing in eternal things, not a blue light special. The lesson of the talents that Jesus talked about is very pertinent here. He said, "Where your treasure is, there your heart will be also." One of our Lord's most applicable parables was about the master that went on a journey and left his servants in charge of his possessions. To each he gave a portion of his wealth. One invested and gained 10, one 50, and one 100, yet one buried it and made no effort to increase the investment. How does this apply to us? My godly grandmother, who never had much in the way of earthly possessions but was wealthy in other ways, was once asked why she gave so much to the Lord. Her statement was "Because the only thing that we'll have to build our home in heaven is the material we send ahead." Our partners in ministry have been given the opportunity to "send some ahead." We have been given not one, but two \$25,000 matching funds donations. What does that mean for us? It means that for a short period of time, $2 \times 25 = 100$. Wouldn't it be nice if Wall Street paid that kind of interest? I'm glad that God gives dividends that don't stop, aren't you?

"M" is for Ministry

Dr. Charles Crumpler
Chairman-Board of Directors

PPM is now one year old, and a shareholders' report is in order. But this is not just any report, it is one commanded by Jesus himself, "Go and tell (others) how much the Lord has done for you." We would indeed be remiss if we did not share what the Lord has done through PPM (and therefore through you, our shareholders and partners).

"Ministry" is the last part of our name, but the first and foremost emphasis of our existence. **But just exactly what does "ministry" mean for PPM?** One obvious meaning is found in the work done in very public large meetings. Whether at a men's meeting with brothers in Christ weeping on each other's shoulders in reconciliation, or at huge crusade meetings in another country, PPM was there and was an integral part. "Ministry" has meant organizing a great effort to reach the lost in the Tall Pines area, as well as plans for many other such meetings in the future.

But "ministry" has also meant involvement in meetings which have been much less visible to the local area. We believe these meetings are vital to helping keep our country a Christian nation, in spite of forces trying to thwart that goal. PPM's Classic Praise East Texas plays a pivotal role in these Pastor Restoration Conferences across the country. The organizers of these conferences basically insist on Classic's presence before they will even plan an event. Classic has also recently recorded a CD of the music from these events, which will be available for distribution soon.

Yes, all these things are ministries of PPM. But dearest to the heart of our organization are those "little" ministries; the one-on-one encounters which are rarely seen by very many people, but which mean so much in the lives of those involved. Ministry in this sense means sharing Jesus at a busy airport gate with a soldier leaving for Afghanistan, or seeing the tear in the eye of a soldier returning from overseas, as a whole airplane joins Classic in singing "My Country 'Tis of Thee" to honor his service. Ministry means putting a smile on the face of a weary flight attendant by helping her pass out refreshments. Ministry means being called to a bereaved spouse's side, or praying with a young family whose marriage is disintegrating. And ministry means experiencing the pure joy of seeing volunteers to PPM's projects being led to a saving knowledge of Jesus, which has occurred several times already. Ministry opportunities such as those are often the richest of all the experiences we are given.

So, to you, our shareholders, we can report that God in His great mercy has seen fit to bless PPM's efforts in these and many other ways. And He knows (as do we), that this would not be possible without your continued support. We thank God for that commitment as we continue to step out in faith, knowing that God will provide. You are not part of this ministry by accident; you have heard the Master's words when He said, "I tell you the truth, whatever you did for the least of these brothers of mine you did it for me." We thank you from the deepest parts of our souls for your faithfulness, and we pray that you will stay the course with us as we continue to seek God's answer to the meaning of "Ministry" for PPM.

"Throw your lot in with the One that God has sent. That kind of commitment gets you in on God's works." John 6:29

better equip our teams in sharing their faith. A lot of contact with people in the area will take place and as Christians we want to be ready. You, too, can take the ACT training. The Act 1:11 Seminar is available online: Register under "Tall Pines Festival". The training is free.

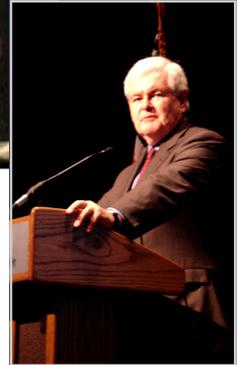

June's meetings witnessed nothing short of a revival. Several had committed to prayer and fasting. What an awesome thing to see God at work! The committees are working and the lay folk are responding. The crown of the meetings came on the last day when one of our dear team members became a child of the Living God. Dan Southern with the Billy Graham association for over twenty years said, "That was the most dramatic conversion I have ever witnessed."

Isaiah 58:10 says *"...if you spend yourselves on behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness and your night will become like the noonday. The Lord will guide you always, He will satisfy your needs in a sun-scorched land and will strengthen your frame. You will be like a well-watered garden, like a spring whose waters never fail."* . Classic Praise East Texas Recording

“That’s My King”

Will Be Available In August

At every Pastor’s Briefing across America there have been more and more requests for a Classic Praise East Texas CD. The ensemble has been praying and awaiting the opportunity to record. In God’s

timing, the Work began on Thursday, June 18 , and the CD was completed on Saturday, June 20.

“We feel it to be a CD that will not only be a blessing to its listeners, but will change hearts and bring Christian Americans back to their knees. That’s our prayer and our hope,” Director Dale Perkins stated.

Classic Praise East Texas is an outstretched arm of Perkins Partnership Ministries. They have been given the opportunity to share their music before U.S. Senators and Congressmen, several Governors (including Rick Perry and Bobby Jindal), and well-known public figures such as David Barton, Newt Gingrich, Oliver North, and former Presidential candidate Mike Huckabee at Pastor Briefings across the United States.

To order your copy of the Classic Praise East Texas CD entitled *“That’s My King!”* call the PPM office (903-236-9839).
