**MISSION STATEMENT:** Perkins Partnership Ministries (PPM) has been formed as a non-profit organization to practice and proclaim the life-changing message of the Lord Jesus Christ in the world's most spiritually receptive places.

From the  
Desk of the  
President of  
PPM

As I am writing this article, I am reflecting on an interview just completed this morning with Glen Evans, editor of the Longview News. All three of Shirley and my sons and two of our grandsons responded to the editor's questions regarding our call to the ministry and God's provisions through these years. This was a refreshing and blessed time as each shared how God had and is leading in

will never invest in anything that will show more return for your investment. Thank you for being a part and helping fulfill the commission *Go and make disciples*.

We leave for San Pedro Sula Honduras April 22. Hospital, home, school, and street ministries will consume each day. Night events will see over 100,000 gather in a massive soccer stadium to hear and respond to the Gospel. PPM is playing a vital role in this festival.

Working While Waiting,

Dale Perkins, Sr.

P.S. The newspaper interview will run Saturday, 4th of April, I think!

**"Store it in Heaven where it will be safe."** And then comes the crux of the matter – **"for where your treasure is, there will your heart be also."** This is really why He discussed the matter of treasure; he wants our hearts focused on Heavenly matters.

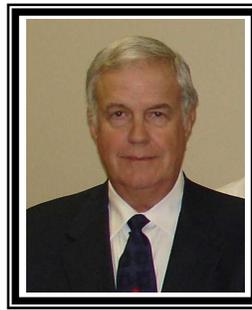

I saw a study this week, which concerns me about our Heavenly Bank deposits. This study stated that Americans identifying themselves as "religious" are declining in number. Much more concerning is the fact that those identifying themselves as Christians are declining in percentage as well. How can that be when we live in the nation more richly blessed by God than any other nation in the history of the world? I am concerned that it may be that we

their lives and ministries. It is a lot easier to look back and see His guidance than it is to look ahead by faith and trust Him for the future. Yet, this is exactly what our Lord requires us to do.

By faith, I see PPM completing the most successful, God-filled event ever held in East Texas, October 3 and 4, 2009. We hope to witness over 30,000 in attendance (majority not knowing Christ) at this outdoor event in Atlanta, Texas. Delegations from four other areas in Arkansas, Louisiana and Texas will monitor this pilot to help inaugurate a like festival in their area.

The budget for these massive endeavors will run between 125 and 150 thousand dollars each. (See what I mean *by faith?*) I believe God will meet all these needs and you will be a part. "It is certain we brought nothing into this world and we will take nothing out" I Timothy 4:7. Let's all invest in "Jerusalem first" then the uttermost part of the earth. Our goal "**one soul for every dollar spent,**" can reap great rewards at home! We have at least two contributors who will match funds up to \$25,000.00. My promise to you is that you

TREASURE! From Biblical times right down through the current day, humanity has been obsessed with treasure. Just turn on television or look on the Internet or in the newspaper and count how many stories there are about treasure (or the loss of it!). You know, Jesus had something to say about treasure. (Come to think of it, He had something to say about everything important to us). He said, "**Don't store treasure here on earth where moth and rust corrupt and thieves break in and steal,**" (Seems right on target doesn't it?) Today there are lots of different forms of corruption and plenty of thieves, e.g. Bernie Madoff). But He didn't stop there; instead He gave an alternative. He said,

Christians are depositing our treasure (money, talent, time, effort) in the wrong bank. This is why I am thrilled that chances to shift our treasure storage to the right bank stand before us. Projects such as the Honduras trip and the Tall Pines Festival give us a chance to invest on the correct side of the ledger. We have an unparalleled opportunity to carry out the Great Commission in our own Judea and Samaria (Tall Pines Festival), as well as to the rest of the world (Honduras). We would love to have you join us in these efforts to reverse the declining percentage of Christians in our land and to proclaim The Gospel to the rest of the world. Let us resolve not to spend a day storing our treasure in the wrong vault, but rather focus our hearts on the hope and glory of Heaven. We hope to see or hear from you soon. May God bless each of you richly in your Christian walk.

*“If my people will humble themselves and pray, and search for me, and turn from their wicked ways, I will hear them from heaven and forgive their sins and heal their land.”*

II Chron. 7:13

*I am very excited about what is going to happen in the coming days of preparation for the Tall Pines Festival. I have not heard of anything like this festival in the East Texas Region. I am so blessed to be a part of bringing the Good News of Jesus Christ to the people of this area.*

Russell Roach, Job Superintendent Hamilton Custom Homes

*The Tall Pines Festival is a way of joining together so we as individuals may have a ministry to bring the Gospel to those who do not know Him. We can make a difference so that souls can be saved and lives be changed.* Gene Noble, owner-Noble Enterprises/Noble Security

*I have never been part of a revival—but it is hard not to be excited about this event. It is amazing to see how much has been accomplished in such a short period of time, and yet somewhat overwhelming to realize how much there is still to be done. I thank our God for the leadership that He has provided in our effort to introduce Jesus Christ to those who have not been so blessed, and I thank Him for the honor and privilege to be able to serve.* John Leach, manager Fish and Still

God is moving in the lives of His people and they are ready to do something. With our economics and moral decline, Christians are beginning to rise up and reach out to those who need God in their lives —building an army of faith that will stand and be counted for all that is right in America. You will find pictures of individuals willing to take on the leadership of the Tall Pines Festival beginning on the next page. Perkins Partnership Ministries ask that you join with us in **Working while Waiting**—praying for each task force member, and as the Lord leads you, to give to the PPM ministry faithfully so that many more events like the Tall Pines Festival can happen.

# Honduras Festival Is On the Horizon

**San Pedro Sula, Honduras — April 22-27, 2009**

Our trip to Honduras is quickly approaching, and we at PPM are preparing ourselves for the adventure taking necessary shots, making sure our passports are in order, and working on supplies. Annette Childress has created a coloring book of the gospel message which is being translated into the Spanish language to be used with the children in San Pedro Sula. Pauline Conley and Barbie Baker are gathering supplies to make the Gospel bracelets. Dale Perkins and Clay Perkins will be instructing those going in preparation for the many opportunities they will have to share their Christian faith.

Traveling with the Mike Silva International team from PPM will be Dale and Shirley Per-

kins, Clay Perkins, Barbie Baker, Glynn Hughes, Russell Roach, Debbie Crumpler, Pauline and Allen Conley, Paula McKinley, Dr. John Fite, Bob and Betty Gilley, and Renee' Hamilton with her son, Mathis.

Continue to pray for our team as we invest our lives in reaching out to those who are in need of a Savior.

*Thank you for your continued support through prayer and gifts. With both, we are strengthened, encouraged, and have the resources to reach out in His Name to touch lives with the Gospel of Jesus Christ. May God's blessing be yours for caring and believing in the ministry of PPM.*
